

Community Platform Guide

WELCOME

Choose your Plan

As we are still getting the platform filled with amazing content, and as it's still new to us, we currently only have the Professional membership and a free 'Sneak Peak' membership available.

The others will be added shortly.

RFVS | Membership Community

This is a 'Sneak Peak' of the platform and allows you to see some of the content titles, but not the content itself. It also lists upcoming events, and is a fabulous way to receive communications from the RFVS.

RFVS | Professional Membership

This membership is for the professionals, including Vets, Veterinary Nurses, Vet Technicians, Vet Students, nutritionists etc.

Membership benefits overleaf.

Please note - non professionals will not be granted access, and will be removed.

RFVS | Supporters Membership

This membership is for anyone that would like to join the community and support the RFVS... pet parents, breeders, raw curious friends etc.

You have access to the same content as the professional membership.

RFVS | Affiliate Membership

This membership is for our Affiliates. Affiliates are businesses that would like to support the RFVS and have access to the amazing videos, papers, and wealth of information that we have accumulated and created of the past 10 years.

Signing Up - New Members

Step I -Follow link to Network

Step 2 - Choose your Plan

Step 3 - Create

Signed in as:		The explication date is not valid	The conti's zip or postel code is not valid.		
No payment for this plan is require future. You'll be notified if the access plan changes. You can manage Personal Settings > Purc	s provided by this your plans in	Country			
		United Kingdom	~		

Professional Membership

This membership is for vets, veterinary nurses, veterinary technicians, veterinary students, nutritionists and other paraprofessionals only.

Please note that if you do not meet the professional criteria, the RFVS team can remove you at any time without notice.

Following the Link - Current Members

If you're already a professional member of the RFVS and your membership is still valid, you will have received a personalised link to join the new platform. Please follow the link, sign up and log in to the platform.

You will have been given a 'free' period dependant on how long you have left on you current membership.

Please follow the link and follow the relevant steps on page 2 'Signing Up' Steps.

Welcome Steps

Welcome Checklist

When you 1st log in you will notice the Welcome Checklist, please follow this guide to help you get your membership and profile set up.
